GAGGENAU LISTA DE PRECIOS 2024

TÉRMINOS Y CONDICIONES

- Por ser nuestra línea de productos de importación, las listas de precios se manejan en dólares americanos y los artículos se liquidan en dolaresamericanos o pesos mexicanos al tipo de cambio que HOMEA este manejando el día de pago esto para evitar que paguen al tipo de cambio que maneje el banco o diario oficial. Los precios no incluyen IVA.
- El flete en todos los casos es por cobrar, con excepción de las ciudades de Monterrey, México, Guadalajara y sus zonas metropolitanas; siempre y cuando la orden de compra sea de un mínimo de **\$500.00 USD + IVA.**
- No nos hacemos responsables por los riesgos del transporte, por lo que es necesario inspeccionar perfectamente la mercancía recibida, y en caso de ser necesaria, efectuar la reclamación con anotación en la guía y fotografías del daño. Solo en caso de que la mercancía recibida sea mayor a 10 piezas se otorgará un plazo de 48 horas para su reclamación.

PAGOS.

Para compras regulares de mercancía, el pago se realiza por anticipado a través de depósito bancario, es necesario contar con número de referencia para poder realizar el depósito el cual debe de ser consultado con su ejecutivo de cuenta.

- Una vez que se haya recibido la confirmación de sus pedidos por escrito, no se aceptan cambios o cancelaciones.
- Para órdenes de producto especiales o material SKU será necesario un anticipo del 50%.

DEVOLUCIONES

- Toda la devolución debe tener una autorización previa por escrito por parte de HOMEA
 - Únicamente se aceptan devoluciones de productos que manejamos para entrega inmediata.
 - Es necesario que el producto a devolver se encuentre en perfecto estado así como su empaque, es decir, en condiciones de venderse como producto nuevo.
 - Toda devolución causará un 20% de cargo.
 - Toda devolución debe ser hecha con flete pagado por quien lo envía y asumir el riesgo de envío; si el producto presenta algún daño, no se aceptará y por consiguiente no se emitirá ninguna nota de crédito.
 - Nos reservamos el derecho de aceptar o no una devolución.
 - No se aceptan devoluciones después de 30 días de haber recibido el material.
 - No se aceptan devoluciones de productos que no son SKU.

Cooktops

Gas cooktops

PRICE

- Vario 400 series gas cooktop
- Stainless steel
- Width 36" (90 cm)
- Natural gas.
- Five multi-ring burners with up to 59,700 BTU
- Full electronic power regulation on 12 levels
- Precise and reproducible flame size
- Automatic quick ignition, electronic flame monitoring with automatic re-ignition
- Simmer function for cooking on a very low output level
- Solid smooth-surface cast-iron pan supports
- Solid stainless steel control knobs
- Precision-crafted 3 mm stainless steel
- For surface mounting with a visible edge or for flush mounting
- Can be combined with other Vario 400 series products

VG 491 211CA **\$9,914**
stainless steel, 36" (90 cm)

For conversion to LP gas, LP kit (Part No. 10004447) must be ordered.

- May be combined with other Vario 400 series

Included accessories

1 wok attachment ring

- 200 series gas cooktop
- Stainless steel control panel
- Width 36" (90 cm)
- Control panel for comfortable and secure operation
- Mechanical power level regulation for 9 power levels, with exact setting and reproduction of flame size
- Multi-ring burner of solid, heat-resistant brass as used in professional kitchen
- Solid smooth-surface cast-iron pan support
- Up to 59,700 BTU (17 kW) on 5 burners

VG 295 150CA **\$7,380**
stainless steel, 36" (90 cm), liquid gas

VG 295 250CA **\$7,380**
stainless steel, 36" (90 cm), natural gas

- Cannot be combined with other Vario 200 series

Included accessories

1 wok attachment ring

Induction cooktops

- Vario 400 series full surface induction cooktop
- Stainless steel frame
- Black glass ceramic
- Width 36" (90 cm)
- One large cooking surface
- Free positioning of up to 6 items of cookware
- All sizes and formats of cookware can be used
- TFT touch display for an intuitive control of all functions
- Cooking sensor function for temperature control in pots
- Professional cooking functions
- Max. power output of up to 5,500 W for large cookware
- Precision-crafted 3 mm stainless steel
- For surface mounting with a visible edge or for flush mounting
- Can be perfectly combined with other Vario 400 series appliances
- Home Connect™

CX 492 611 **\$8,417**
stainless steel frame, 36" (90 cm)

- May be combined with other Varios

Included accessories

1 Cooking sensor for temperature regulation.

- Vario 400 series full surface induction cooktop
- Stainless steel frame
- Black glass ceramic
- Width 30" (80 cm)
- One large cooking surface
- Free positioning of up to 5 items of cookware
- All sizes and formats of cookware can be used
- TFT touch display for an intuitive control of all functions
- Cooking sensor function for temperature control in pots
- Professional cooking functions
- Max. power output of up to 5,500 W for large cookware
- Precision-crafted 3 mm stainless steel
- For surface-mounting with a visible edge or for flush mounting
- Can be combined with other Vario 400 series appliances
- Home Connect™

CX 482 611 **\$7,733**
stainless steel frame, 30" (80 cm)

- May be combined with other Varios

Included accessories

1 Cooking sensor for temperature regulation in pots.

Ventilation

400 series downdraft

PRICE

- Retractable downdraft
- Stainless steel
- Width 46 5/8" (120 cm)
- Air extraction / Air recirculation
- Two blowers required
- Extendable downdraft ventilation, when not in use can be completely lowered into the countertop
- Can be combined perfectly with all Vario cooktops 400 series
- Dimmable, neutral white surface LED light for ideal illumination of the cooktop
- Precision crafted 3 mm stainless steel
- For surface mounting with a visible edge or for flush mounting
- Motorless, to be combined with Gaggenau blower(s)

AL 400 722
stainless steel, 46 5/8" (120 cm)

\$6,238

Refer to Accessories Guide on page 42 for required accessories.

- Retractable downdraft
- Stainless steel
- Width 36" (90 cm)
- Air extraction / Air recirculation
- Single blower required
- Extendable downdraft ventilation, when not in use can be completely lowered into the countertop
- Can be combined perfectly with all Vario cooktops 400 series
- Dimmable, neutral white surface LED light for ideal illumination of the cooktop
- Precision crafted 3 mm stainless steel
- For surface mounting with a visible edge or for flush mounting
- Motorless, to be combined with Gaggenau blower(s)

AL 400 792
stainless steel, 36" (90 cm)

\$5,323

Refer to Accessories Guide on page 42 for required accessories.

- 400 series Vario downdraft ventilation
- Stainless steel
- Air extraction / Air recirculation
- Control knob with illuminated ring included
- Can be combined perfectly flush with other Vario appliances of the 400 series
- Precision crafted 3 mm stainless steel
- Solid stainless steel control knob
- Highly efficient, low noise recirculation system with AR 410 710 blower
- Air extraction with AR 400 742, AR 403 722, or AR 401 742 blowers
- Function for automatic, sensor-controlled power adjustment depending on the build-up of cooking vapors
- Minimal planning and easy installation
- Home Connect™

VL 414 712
stainless steel

\$3,103

Refer to Accessories Guide on page 42 for required accessories.

- One blower per downdraft.
- Control knob included with each downdraft. Ships with exhaust air elbow.

400 series island hoods

- 400 series island hood
- Stainless steel
- Air extraction/Air recirculation
- Professional technology hood combined with classic Gaggenau design
- Highly efficient extraction of cooking vapors due to a large vapor collection area
- Comes without blower, can be combined with (BLDC) blowers
- Angled baffle filter with high grease absorption
- Automatic function, sensor-controlled power adjustment depending on the build-up of cooking vapors
- Dimmable, neutral white LED light for ideal illumination of the cooktop
- Air recirculation module with activated charcoal filter: quiet and highly efficient recirculation solution with odor reduction as in air extraction mode, and long replacement intervals

AI 442 720
stainless steel, 48" (120 cm)

\$5,994

AI 442 760
stainless steel, 63" (160 cm)

\$7,561

Limited stock for both SKUs. Please call for availability.

Without blower. (Choose from 400 series AR 400 743 internal, AR 400 742 inline or AR 401 742 remote blower.) Duct cover not included.

400 series wall hoods

- 400 series wall hood
- Stainless steel
- Width 48" (120 cm)
- Air extraction/Air recirculation
- Professional technology hood combined with classic Gaggenau design
- Highly efficient extraction of cooking vapors due to a large vapor collection area
- Comes without blower, can be combined with (BLDC) blowers
- Angled baffle filter with high grease absorption
- Automatic function, sensor-controlled power adjustment depending on the build-up of cooking vapors
- Dimmable, neutral white LED lighting for ideal illumination of the cooktop
- Air recirculation module with activated charcoal filter: quiet and highly efficient recirculation solution with odor reduction as in air extraction mode, and long replacement intervals.

AW 442 760
stainless steel, 63" (160 cm)

\$6,613

AW 442 720
stainless steel, 48" (120 cm)

\$5,438

Limited stock for 63" AW 442 760. Please call for availability.

Without blower. (Choose from 400 series AR 400 743 internal, AR 400 742 inline or AR 401 742 remote blower.) Duct cover not included.

200 series visor hoods

- 200 series visor hood
- Stainless steel handle bar
- Air extraction/Air recirculation
- Unobtrusive visor hood design thanks to integrated glass sheet in the steam screen
- Especially quiet operation thanks to integrated sound insulation
- Steam screen extends by pulling the handle bar
- Especially high air output
- Energy-saving, low-noise fan
- Function for automatic, sensor controlled power adjustment depending on the build-up of cooking vapors
- Dimmable, neutral white LED light for ideal illumination of the cooktop
- The patented lowering frame allows the visor hood to disappear completely into the upper cabinet
- Air extraction or air recirculation system
- Air recirculation module with activated charcoal filter: quiet and highly efficient air recirculation solution with odor reduction as in air extraction mode and long replacement intervals.

AF 210 791 \$3,479
 stainless steel, 36" (90 cm)

- To hide hood from view for 24" model AF 210 761, order the lowering frame (AA 210 460).
- To hide hood from view for 36" model AF 210 791, order the lowering frame (AA 210 492). Mounting kit (AA 210 491) must be ordered if lowering frame is not used.
