Ideal Kitchen Workstations.. Handcrafted in the USA.

THEGALLEY
REINVENT YOUR KITCHEN

Collection Changes 2023

New Products

American Black Walnut

We are now offering American Black Walnut as a Finish for all Workstations. With its exceptional durability and stunning dark hues, this premium 3/4" thick wood is the perfect complement to our beautiful selection of Culinary Tool Materials & Finishes.

See page

9

Ideal ThinTop™ Workstations

The ThinTop™ Galley Workstation has been designed to accommodate thinner and ultracompact kitchen countertop surfaces made of materials such as ceramic or porcelain. The ThinTop Workstations integrate the Upper Tier below the Basin flange, effectively eliminating the requirement for a thick countertop. The result is a sleek, low-profile look that is both aesthetically pleasing and highly practical.

65

Custom Workstations

We have expanded our custom capabilities even further, enabling you to personalize your Workstation in a wide variety of ways. We offer the option to make any Workstation a ThinTop™, Add Bowl to Workstations 5' and above, Top Mount/Flush Mount options, and much more.

77

citrine. Wood Finishing Balm

Our citrine. Wood Finishing Balm nourishes and safeguards wood surfaces leaving them with a natural, long-lasting shine. It is NSF-registered and food-safe.

PREPARE | COOK | SERVE | ENTERTAIN | CLEAN

In your Galley, you can chop, strain, and mix easily and ergonomically to prepare a meal and efficiently transition to cooking with a cooktop nearby. Using various Serving Boards, quickly and conveniently transform your prepare and cook station into a serve station or set out drinks and hors d'oeuvres to create an ideal entertain station. Contain the mess within your Galley and clean throughout preparing, cooking, serving, and entertaining!

THE GALLEY WORKSTATION.

The Ultimate Culinary System

G

THE ORIGINAL KITCHEN WORKSTATION™

The Galley represents a whole new category of kitchen appliance. A complete culinary system where one can prepare, cook, serve, entertain, and clean all in one central and convenient place. The kitchen is even more functional and ergonomic with the Workstation near cooking. This evolutionary kitchen work line concept is much more efficient than the traditional work triangle layout. Simply put, The Galley System is A Better Way. Each Galley is thoughtfully designed, engineered and hand-crafted in the USA. ★ ★ ★ ★

Ideal Workstation 4S with Exclusive Gray Resin Culinary Kit, Walnut Chef's Block, Matte Stainless Steel Tap, Soap Dispenser, and Deck Switch

Eliminate every reason why you don't like to cook

The Galley makes everything in your kitchen easier and more enjoyable. Slide the Galley Culinary Tools above and below each other to prepare a meal efficiently. Invite others to join in the fun and work side-by-side at a two or three person Workstation. Stay engaged and enjoy spending quality time with your family and friends around the Galley. Eliminate time-consuming clean up by preparing, cooking, serving and entertaining within the Workstation.

Make the problems of your kitchen disappear

Ideal Work&WashStation™ 6D with Designer White Resin / Resin+ Kits, Matte Stainless Steel Taps, Hot & Cold Tap, Soap Dispenser, and Deck Switches

Divide and conquer

The Work&WashStation™ allows you to separate food preparation or prepare and wash in one Workstation. It is ideal when only one larger Workstation is possible. A thin stainless steel partition raises only to the lower tier allowing Cutting Boards and Drying Racks the freedom to slide all the way across both basins on the Lower Tier. This is also great for Kosher Cooking!

This is not your grandma's double bowl sink

Ideal Workstation 4S + 12" DryDock with Graphite Wood Composite Culinary Kit and DryDock Tool, PVD Gun Metal Gray™ Stainless Steel Tap, Soap Dispenser, and Deck Switch

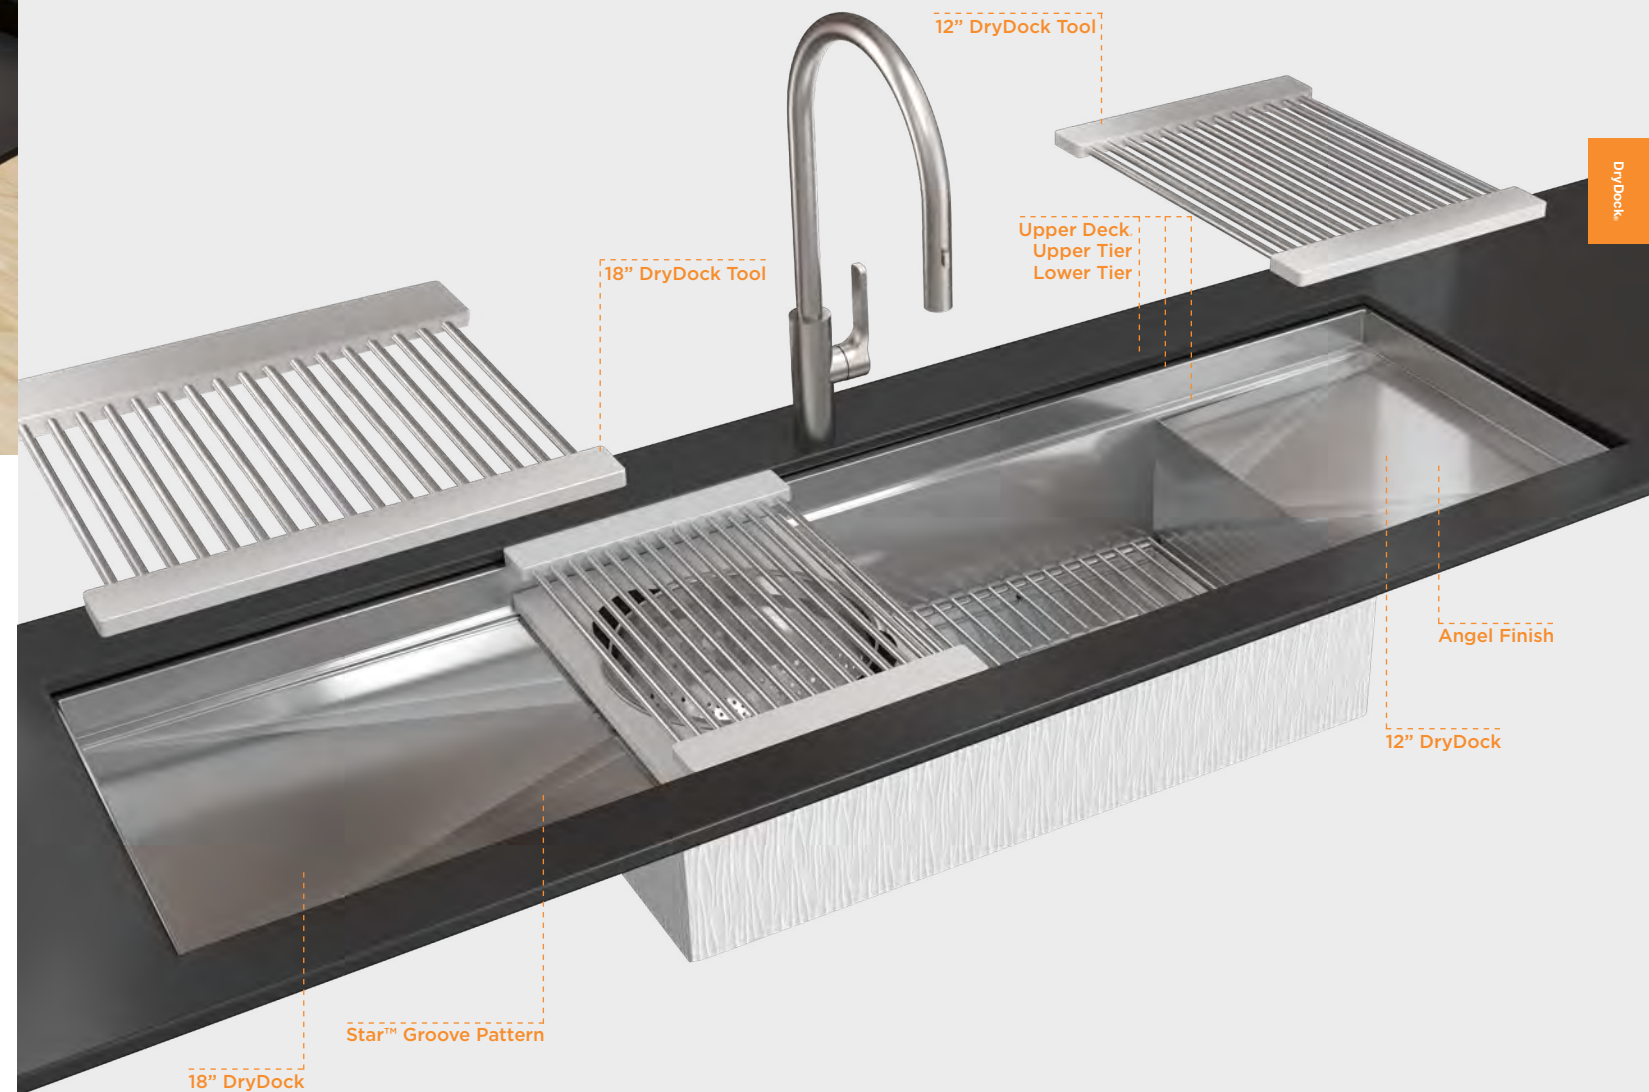

The Galley Workstation takes on a bold form

Expand the functionality of your Galley without sacrificing under-counter storage or appliances by adding a 18 or 12 inch Built-in DryDock® to either or both sides of any single or double bowl Workstation. Highly engineered for function, it expands the useful space in the basin by allowing you to dock your Culinary Tools to the side when you need more space.

Make the most of your Galley

Add a DryDock®
Extend Your Galley

Minimum 2" clearance below countertop is required

DryDock Tool Materials				
Prestige	Premium		Standard	
American Black Walnut (WA)	Graphite Wood Composite (GT)	Natural Golden Bamboo (BA)	Exclusive Gray Resin (GR)	Designer White Resin (WH)

DryDock® 18

Add to any Workstation. Over 138 possibilities.

Ideal ThinTop™ Workstation 5S with American Black Walnut Culinary Kit, PVD Brushed Gold Stainless Steel Taps, Hot & Cold Tap, Soap Dispenser, and Deck Switch

Make any Workstation a ThinTop™
 For the most demanding designs

Through *thick* and *thin*

The ThinTop™ Galley Workstation is ideal for ultracompact kitchen countertop surfaces (porcelain or ceramic). By integrating the Upper Tier below the Basin flange, this Workstation eliminates the need for a thick countertop, resulting in a low-profile look that is both functional and beautiful.

Limitless design possibilities

ThinTop™

Make any Workstation a ThinTop.

Ideal Workstation 3S with Exclusive Gray Resin Culinary Kit, Apron Front, Polished Stainless Steel Tap

Tailor Made

The Galley offers you the ability to create your very own Workstation or WashStation™. Apron Front, custom lengths, integrated Galleys with stainless steel WorkTops, ADA, you name it and we can probably do it. Our highly trained factory craftsmen love a good challenge!

Dare to be different

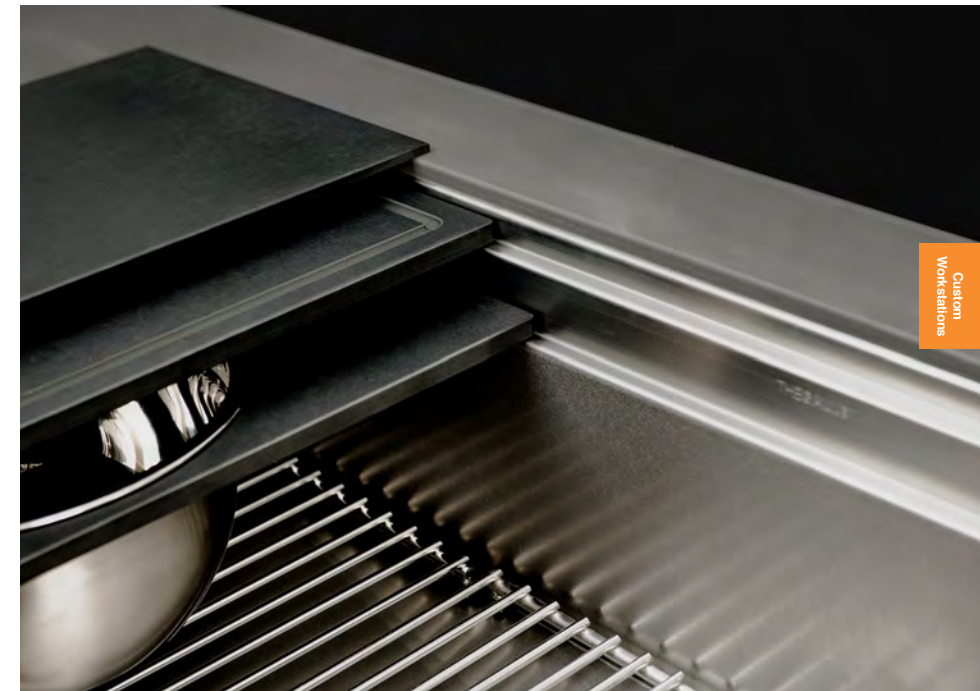

INTEGRATE

WorkTop™
DryDock.

MODERNIZE

ThinTop™
Apron Front

ACCESS

ADA Compliant
Length

Custom Built Workstation Basins

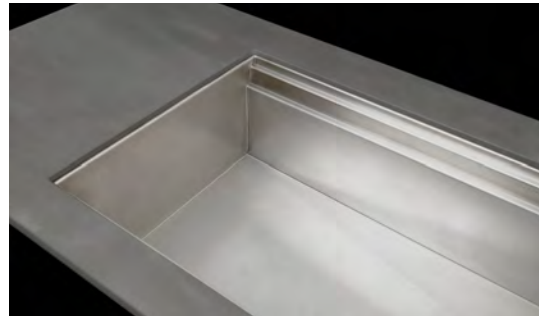

Lead time 5-6 weeks

WorkTop™

Integrate any Workstation into a stainless steel countertop of various thicknesses and shapes with or without a backsplash. It is beautiful, sleek, and highly resistant to scratches, stains, and heat.

To request a custom quote, contact us at dealersupport@thegalley.com.

ThinTop™

Designed to accommodate thinner countertops and ultracompact surfaces, our ThinTop Workstations have the Upper Tier integrated into the Basin to allow our Culinary Tools to function perfectly, no matter the countertop thickness or material.

Description	Product Code	Add MSRP	Add UMRP
ThinTop™	TT	\$500	\$450

Add DryDock.

Expand the functionality of the Galley without sacrificing under-counter storage or appliances, by adding an 18 or 12-inch Built-in DryDock to either or both sides of any Workstation.

Description	Product Code	Add MSRP	Add UMRP
DryDock 18"	DS-18-X	\$1,800	\$1,620
DryDock 12"	DS-12-X	\$1,500	\$1,350

Location: Drain side (S) and/or non-drain side (N) and/or center drain (C)
Note: DryDock only (not including DryDock Tool)

Apron Front

Personalize your design with our customizable stainless steel Apron Front, allowing you to tailor its thickness and height to perfectly complement your countertop.

Description	Product Code	Add MSRP	Add UMRP
For IWS 7	AF	\$2,900	\$2,610
For IWS 6	AF	\$2,700	\$2,430
For IWS 5	AF	\$2,500	\$2,250
For IWS 4	AF	\$2,300	\$2,070
For IWS 3	AF	\$2,100	\$1,890
For IWS 30	AF	\$2,000	\$1,800
For IWS 2	AF	\$1,900	\$1,710
For IBS 18	AF	\$1,800	\$1,620

Note: Please specify Apron height, thickness and drain location

Custom order example: **IWS-4-S-AF-AL4-GT**
 (Ideal Workstation 4S, Apron Front, Add 4" Length, Graphite Culinary Kit)

Note: Once the purchase order and approved drawings are received each custom order is noncancelable

Custom Built Workstation Basins

Lead time 5-6 weeks

Top Mount / Flush Mount

Ideal for spaces where modifying existing countertops is not feasible and for those who enjoy an above-counter flange aesthetic.

Description	Product Code	Add MSRP	Add UMRP
Top/Flush Mount	TF	\$500	\$450

Note: Please specify back flange depth, desired Tap products, and hole placements

Custom Length or Center Drain

Customize the length and/or drain location of your Workstation to perfectly fit your kitchen.

Description	Product Code	Add MSRP	Add UMRP
Add 7-12"	AL#	\$1,200	\$1,080
Add 1-6"	AL#	\$900	\$810
Center Drain	C	\$300	\$270

Note: Added length 1-6" includes Culinary Kit IWS from next size below
 Added length 7-12" includes Culinary Kit IWS from next size above
 The maximum overall length recommended is 2 1/2" smaller than the outside cabinet dimension

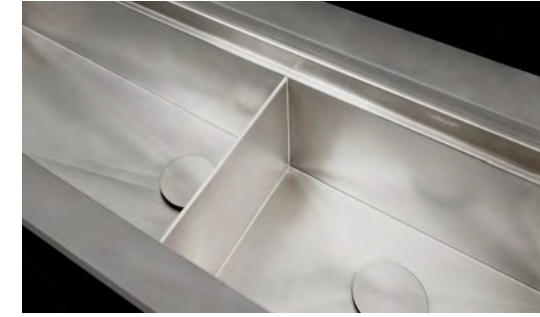

Add Bowl

Add another bowl to the Basin to create a versatile double or triple bowl Workstation for any kitchen that demands maximum efficiency.

Description	Product Code	Add MSRP	Add UMRP
Add Bowl	AB	\$2,500	\$2,250

Note: Please specify width of each bowl/section

Move or Lower Double Bowl Divider

Customize the placement and height of your Work&WashStations™ permanent divider within the Basin to fit your specific needs.

Description	Product Code	Add MSRP	Add UMRP
Move Divider	MD	\$1,000	\$900
Lower Divider	LD	\$500	\$450

Note: Custom Bottom Grates may be required

ADA or 9" Bowl Depth

Designed to provide a more accessible and user-friendly experience, ADA Workstations have a Basin depth of 5 7/8" along with customized Tools.

Description	Product Code	Add MSRP	Add UMRP
ADA Compliant	ADA	\$300	\$270
9" Bowl Depth	BD9	\$300	\$270

ADA Kits: CKT-17-ADA*, CKT-12-ADA*

*Includes 4" high Mixing Bowls and Colanders

Ideal Workstation 4S with Graphite Wood Composite Culinary Kit, PVD Satin Black Stainless Steel BarTap, Soap Dispenser, and Deck Switch

Taking it to the next level

The Upper Deck® is a modular third tier workspace and cover system available in all four finishes. The sections slide apart for easy removal and each one can be used individually on the countertop tier. Use as a complete set to cover the Workstation or individually as work surfaces.

Elevate your Workstation

The Upper Deck

Let's take it outside

Experience the power of the Galley Workstation and Tap in your outdoor kitchen. Stay outdoors and enjoy spending quality time with your family and friends as you prepare, cook, serve, entertain, and clean right next to your grill. Made of marine grade 316L Stainless Steel, the Tap and Workstation with Graphite Wood Composite, Designer White or Exclusive Gray Resin Culinary Tools are ideal for both indoor and outdoor use.

Revolutionize outdoor living

THE GALLEY TAP[®]

The perfect pair

The Galley Tap is the first and only kitchen faucet thoughtfully designed, engineered, and manufactured to function perfectly with a specific line of kitchen sinks, or in our case, kitchen workstations. Simply put, it completes The Galley Workstation.

"Its striking beauty comes from its perfect geometry. That's the magic!"

David Kotowsky
Designer | Galley Tap

The Galley Tap

The Galley Tap

Ideal Workstation 7S with Graphite Wood Composite Culinary Kit, Polished Stainless Steel Taps, Hot & Cold Tap, Soap Dispenser, and Deck Switch

THE IDEAL KITCHEN FAUCET

This stunning kitchen faucet has been ergonomically designed and engineered with dimensions that are specifically suited for the Galley Workstation. The Galley Ideal Tap, along with the BarTap, Hot & Cold Tap, and Pot Filler Tap, is perfectly proportioned, functional and beautiful. The Soap Dispenser and Deck Switch are the perfect companions to the Tap and Workstation.

The Galley Tap

The Galley Tap

WORLD CLASS QUALITY

State-of-the-art quality and manufacturing precision is evident throughout every millimeter of the Galley Tap® line. Machined out of solid AISI 316L Stainless Steel, this dynamic faucet is ideal for both indoor and outdoor use.

The Galley Tap and accompanying BarTap®, Hot & Cold Tap, Pot Filler Tap, Soap Dispenser and Deck Switch are available in six flawless Stainless Steel finishes: Matte, Polished, PVD Gun Metal Gray™, PVD Satin Black, PVD Brushed Gold*, and PVD Polished Rose Gold*.

GALLEY PVD A suit of armor

The Physical Vapor Deposition (PVD) process vaporizes a solid metal to a plasma of atoms or molecules; the vapor is then deposited in a vacuum chamber as a high-performance coating. Used in the aerospace and biomedical fields, PVD is the hardest and most corrosion-resistant coating to strengthen and protect your Tap for a lifetime. It is more environmentally friendly than traditional coating processes such as electroplating and powder coating.

Ideal Tap with Filtration

High Flow (HF) or Eco Flow (EF)

Specifications

- Ideal Tap**
 Single-lever control ceramic disk cartridge
 Forward rotating COMFORTFEEL™ lever handle
 11" CENTERSTATION™ spout projection
 11" Pot fill height from deck to spout outlet
 Hand spray extends up to 26" from spout
 Q-Dock™ docking system holds hand spray in place
 Ergonomic slide switch to select Ideal Flow. Laminar or Spray Flow
 Automatic return to laminar flow
 Concealed easy clean spray face
 Spout rotates 360°
 Quiet, smooth gliding hose
 Counterweight
 Dual check valves
 24" stainless steel flexible hoses 3/8" compression
 Maximum counter thickness 2"
 Minimum install hole diameter 1 3/8"
 Optional base ring included
 Total height 21 1/4"
 High Flow 2.2 GPM maximum flow rate
 Eco Flow 1.8 GPM maximum flow rate
 For use with Water Filtration System* (included)
 *Note: May reduce water flow

Water Filtration System (Included)

- Water Filtration System**
 Service flow rate 2.0 gpm
 Rated capacity 7,900 gallons
 Operating pressure 10 - 125 psi
 Operating temperature 35 - 100°F
 Overall dimensions 16 7/8" x 4 1/8"
 Reduces lead, chlorine, cysts and other contaminants
 Quick twist-lock cartridge replacement
 Replacement filter cartridge dimensions 14 1/2" x 3"
 Internal parts never exposed to human handling
 Filtration protects capital equipment from early breakdown
 Installs vertically (allow 2 1/2" clearance)
 Parts Included: Mounting bracket and screws, plastic tubing, push-fit Tee

Construction

- Ideal Tap**
 Solid 316L machined stainless steel construction
 Available in Polished, Matte, PVD Gun Metal Gray™, PVD Satin Black, PVD Brushed Gold, PVD Polished Rose Gold

Ideal Hot Water Tank
 Digital control touch panel
 Adjustable temperature settings = 3° increments
 Seven preset temperatures = 167°-208°F
 Digital temperature control within 1-2°
 On/off button with vacation mode feature
 1500 watt/120-volt ceramic encased rapid-recovery element
 60 cups per hour capacity
 Standby reheat feature with low energy consumption 1W
 Standby reheat at 6° temperature-drop
 Built-in dry Burn and overheat sensors
 Built-in 60 psi RV with patented Baffle Fill System
 Encased element prevents limescale build-up
 Double venturi reduces faucet "dripping/spitting"
 Compatible with reverse osmosis filtration systems
 Space-saving 7 1/2" W x 7 1/2" D x 10 3/4" H
 Cabinet-side or floor-mount install options
 Parts Included: Silicone Washers, Adapters

Water Filtration System

IWF-79-HF

RFC-79-HF

Water Filtration System

MSRP	UMRP
\$320	\$256

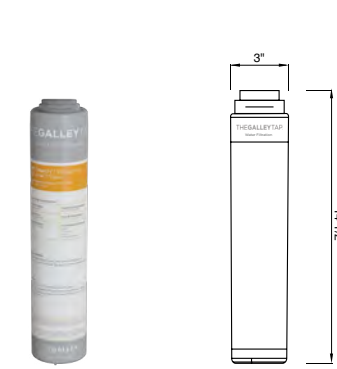

Features & Benefits

- High flow, high capacity, commercial quality water filtration system manufactured with a proprietary fibercarbon block
- Increases clarity of your drinking water
- Improves taste and reduces odors
- Certified for reduction of lead, chlorine, cysts, particulate class I and other contaminants
- Hybrid material with powder activated and fiber carbons
- Limited polymer binder used creating more active pores for higher absorption capacity
- Filtration removes particles from 0.5 micron in size
- Helps to protect Taps
- Retains vital minerals

Specifications

- Service flow rate 2.0 gpm
- Rated capacity 7,900 gallons
- Operating pressure 10 - 125 psi
- Operating temperature 35 - 100°F
- Overall dimensions 16 7/8" L x 4 1/8" D
- Quick twist-lock cartridge replacement
- Internal parts never exposed to human handling
- Filtration protects capital equipment from early breakdown
- Installs vertically (allow 2 1/2" clearance)
- Install in cold water supply only
- Use with Ideal Tap, BarTap- and Hot & Cold Tap

Substance	Average % Reduction
NSF/Ansi 42 - Aesthetic Effects	
Chlorine	>94.8%
Particulate, Class 1 particles 0.5 to < 1 m	>99.2%

Replacement Cartridge

MSRP	UMRP
\$195	\$156

Included Contents

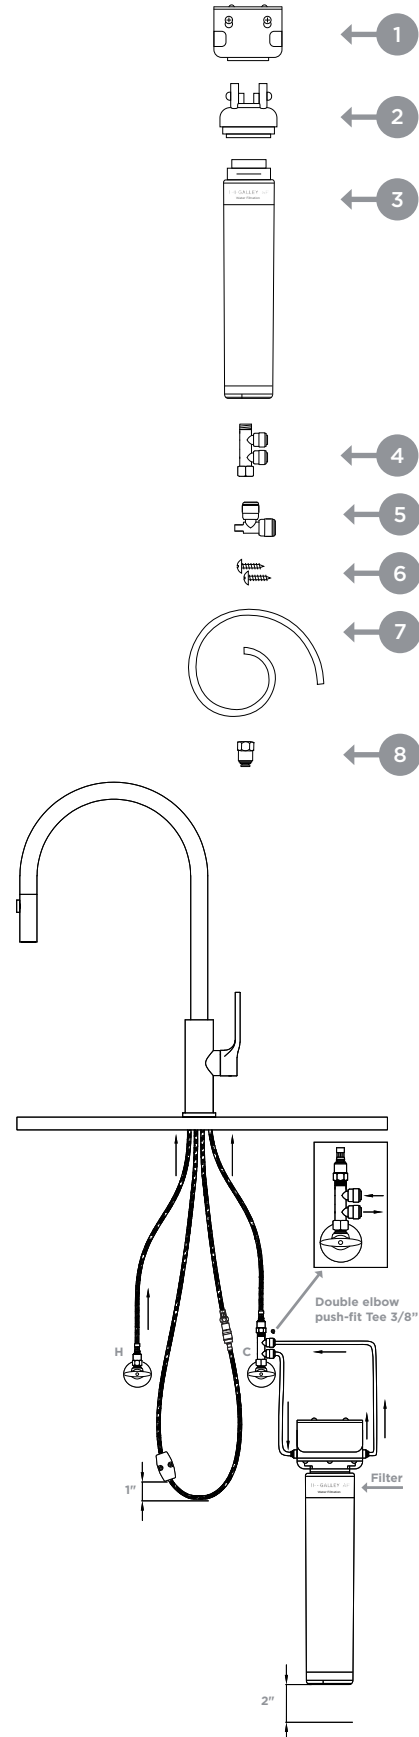

- 1 - Mounting Bracket
- 2 - System Head
- 3 - RFC-79-HF Filter
- 4 - 3/8" Double Elbow Tee
- 5 - John Guest Stem Push-fit Tee
- 6 - Mounting Screws
- 7 - 10' (120") x 3/8" Plastic Tubing
- 8 - Connector Push-fit Fitting 3/8" x 3/8"

Construction

Lasts up to 12 months dependent upon water quality and amount of water filtered

Codes/Standards

IWF-79-HF tested and certified by IAPMO R&T and IAPMO R&T Lab against CSA B483.1; against NSF/ANSI 42 for the reduction of chlorine, taste and odor and particulate class I; against NSF/ANSI 53 for the reduction of cyst and lead; against NSF/ANSI 372 for low lead compliance; as verified and substantiated by test data California compliant

Ideal HydroStation™ with Graphite Wood Composite HydroPlate, Polished Stainless Steel Hot & Cold Tap

Use & Care

Stainless Steel Basin:

For everyday cleaning, we recommend cleaning the Galley basin with citrine® Stainless Steel Clean + Polish. This will restore the luster and keep the tiers sleek to allow the Tools to glide freely. On behalf of the cabinet(s) beneath the Galley Workstation, we highly recommend that you do not put ice directly in the Basin for an extended period of time. Doing so may result in condensation on the exterior of the Basin, therefore causing potential damage to the interior of the cabinets.

Graphite Wood Composite Tools:

The Graphite Tools can be cleaned in the dishwasher. For surface marks and light scratches use a Maroon Scotch-Brite® pad to lightly buff the surface. Using a microfiber towel, apply citrine® Wood Condition + Protect to the whole surface of the Tool. The area affected will be lighter in appearance with the original patina returning over time. Graphite Wood Composite is heat-resistant up to 350°F degrees. This product should only be used for preparing and serving food and never placed on or in any stove top, oven or grill.

Resin Tools:

Resin Tools can be cleaned in the dishwasher. Designer White Resin only: Spray bleach directly onto the boards to remove heavy stains. Let sit for 15-20 minutes or until stains dissolve. Wash thoroughly with soap and water. Resin Tools are heat-resistant to 180°F degrees.

Bamboo and Walnut Tools:

Once a month use the enclosed citrine® Wood Condition + Protect to condition the wood followed by citrine® Conditioning Balm to keep your Culinary Tools fresh and vibrant. This will help prevent splitting, and give the Bamboo and Walnut a nice, burnished look while maintaining the cleanliness of the cutting surface. For cleaning after use, hand wash with soap and water. Be sure to let wood dry completely. From time to time, as with any cutting board, you may notice vegetable stains settling into the board. This is normal and is not a health concern but can diminish the beauty of the wood. For stains, scrub coarse salt over the surface of the board with a sponge, then rinse and dry. On rare occasions, odors can also ingrain themselves in the wood. You can resolve this by rubbing a simple paste of baking soda and water over the board occasionally before rinsing and drying. If water is left pooled on the wood, it can cause discoloration. It is important to keep all areas dry after use. Proper care and cleaning of your Bamboo and Walnut Tools will ensure they last for years to come.

Wash Tools:

Copolyester Wash Bowl and Wash Caddy: Hand wash thoroughly with soap and water.

Salt Water Environments:

316L stainless is suitable for outdoor applications. The best way to protect stainless steel is to clean it frequently. If salt has time to establish itself on the surface, the effects of the chemical reaction will soon become visible. In salt air environments, we recommend cleaning the stainless steel surface at least every two weeks to keep your basin and Tap(s) in prime condition.

How To Restore the Original Luster of Your Galley:

For any questions please contact The Galley Headquarters at 800.375.4255 or customer@thegalley.com.

Use & Care

Chef's Block:

Your new Chef's Block has already been oiled with our citrine® Wood Condition + Protect, (food-safe, of course!), so you can start enjoying it right out of the box.

For the best long-term life: We recommend for the first couple of weeks that you oil your Chef's Block 2 or 3 more times. This will help build up its resistance to moisture and strengthen the wood for a long, healthy life. After that, a quick application every couple of months should suffice.

For simple cleaning: Hand wash using warm water with dish soap and a damp sponge or cloth. Allow your Chef's Block to dry thoroughly before the next use. The wood should never be fully submerged in water or placed in the dishwasher. If your Chef's Block ever smells less than fresh, you can simply rub a paste of baking soda and water over the board before rinsing and drying.

citrine®

CIT-09-SS-C

General Sales Terms & Conditions

Prices: Prices and terms are subject to change without notice.

MSRP: Manufacturer Suggested Retail Price.

UMRP: Unilateral Minimum Resale Price.

Delivery and Shipping Policy: Our products are shipped via LTL Freight or Ground directly from Tulsa, OK to the Designer, Dealer or Distributor showroom or warehouse. The lead time of our products is divided into two categories:

- **Standard Workstations:** Typically shipped 2-3 business days from the receipt of the purchase order.
- **Custom Workstations:** Typically shipped 5-6 weeks from the receipt of the client's approval of the custom specifications drawing.

Free Freight Allowance: Minimum order required is (5) Workstations or (5) Taps

Information on the Flat Rate Freight Program:

Product Category	Freight Fee
Workstations over 6' (includes Culinary Kit)	\$449*
Workstations over 3' and up to 6', and Corner Workstations (includes Culinary Kit)	\$249*
Workstations 3' and under (includes Culinary Kit)	\$99
HydroStation™ (includes HydroPlate)	\$55
Culinary and Speciality Kits (if ordered separately)	\$45
Upper Deck® sets, Bottom Grate sets	\$35
Taps (includes Filtration if ordered with Tap), Individual Culinary Tools, Individual Bottom Grates, Water Filtration (if ordered separately)	\$25
Tap Accessories, Strainer Baskets	\$15

***For Residential Delivery and for locations without a Loading Dock, add \$150, (lift gate is included).**

- **Freight Fees for each product included on the order will apply as they add weight, volume, and cost to the shipment.** For the freight fee on any item not shown here, please refer to the Product Index in the Price List.
- DryDock® — Add 1' to the size for each 12" DryDock or 1.5' for each 18" DryDock.
- Shipments that have already been sent but are requested by the Designer, Dealer, or Distributor to be rerouted while in transit will be subject to a rerouting charge.
- Expedited deliveries must be requested in advance. For these shipments, the Designer, Dealer or Distributor will be informed of the additional costs which will be included in their invoice. Drop-ship deliveries outside of Dealer or Distributors' immediate area require prior approval from a Galley representative.
- For shipments to Alaska and Hawaii, call for a freight quote.

General Sales Terms & Conditions

Freight Example (With Loading Dock):

Product	Quantity	Freight Fee

G-DRN-MSS	1	\$15
Freight Total	7	\$379

Payment Terms: Net 30

Make checks payable to:
The Galley, LLC
12626 South Memorial Drive
Bixby, OK 74008

Payments may be made by Credit Card and are subject to a 3.5% processing fee.

Return Policy: Non-damaged merchandise may be returned within 90 days of receipt *after* prior written authorization from The Galley.

All returns require a Returns Goods Authorization (RGA). A product in non-resalable condition will not be accepted. It is the Dealer/ Designer's responsibility to return the goods to The Galley, freight prepaid and with all relative paperwork included, (RGA, copy of the invoice and packing list). RGA number must be clearly noted on the outside of the parcel. Upon receipt and final inspection, The Galley will post a credit memo to the Dealer's account minus a 10% restocking fee. Please note that The Galley does not issue reimbursement checks for approved returns. Special or custom orders are not returnable.

Damage or Loss Policy: We make every effort to prevent damage during shipping. If your package is delivered with any visible damage, simply refuse the shipment. If, after the shipping company's driver has left, you realize that your package is damaged, immediately contact Galley Customer Service at (800) 375-4255. Please note that due to the time constraints to file a claim for shipping damage or loss, all shortages, missing or damaged items must be reported within 48 hours of receipt of the product.

Custom Orders: The Galley frequently receives custom/special orders. Many of the Custom Galley Workstation options are already listed in the Price Book under the "Custom Workstations" tab. If a customer would like to have an item produced other than what is shown, please contact us directly with a detailed description of what is desired and we will provide a price quote. If the customer would then like to proceed, we will send a drawing with exact dimensions for their approval. Once approval is received by us, a 50% deposit is required to begin the manufacturing process, which is approximately 5-6 weeks. Custom orders are non-returnable and non-cancellable. Custom Workstations may be subject to an additional freight charge based on the individual custom and special packaging and shipping that may be required. Any additional charge would be provided at the time the custom is initially quoted.

Sales Tax: Oklahoma and Illinois dealers are required to provide their resale permit and provide updated permits as they are renewed. If you are an Oklahoma or Illinois Dealer without a Resale Permit, we will bill, collect and remit the appropriate sales taxes on your order.

Dealers outside of Oklahoma and Illinois are responsible for collecting and remitting sales and use taxes to their municipalities.

General: If you have any questions regarding Galley policies, please contact us at (800) 375-4255.

The Galley Workstation Limited Lifetime Warranty

1. Galley Workstation Limited Lifetime Warranty – Seller provides a Limited Lifetime Warranty. Seller warrants its stainless steel sink, installed in a residential application, to be free from manufacturing defects in materials and workmanship under normal residential usage. This Limited Lifetime Warranty is subject to the warranty conditions and limitations as set forth below.

2. Warranty Conditions and Limitations – Seller's warranty is non-transferable and is strictly limited to products correctly installed using our installation instructions and used in a residential environment. This warranty is limited to defects or damages resulting from normal residential use and does not cover surface corrosion, (chemical or natural, including exposure to salt air, sea spray, acid rain, or environmental chemicals), scuffs or scratches, misuse, abnormal or abusive use, dents, deformations caused by the impact of any object, improper installation, care and/or maintenance, commercial use, environmental factors causing damage, shipping or freight damage, or common signs of normal wear and tear, (scratching, staining and alkaline etching of the finish over time due to use, cleaning practices or water or atmospheric conditions, are not manufacturing defects but are indicative of normal wear and tear however, these symptoms are easy to remedy). This limited warranty is null and void if the Product has been repaired, altered, or modified other than by Seller or under Seller's supervision. The Seller is not responsible for labor charges, installation or other incidental or consequential costs. In no event shall the liability of Seller exceed the purchase price of the product. If the product is installed outside of North America, Seller warrants product to be free from defects in material and workmanship for one (1) year from the date the product is installed, with all other terms of this warranty applying except duration. If the product has not been purchased from Seller or from an Authorized Dealer or Distributor of the Seller, this warranty is null and void.

3. Culinary Tools – The Culinary Tools are not covered under warranty. If a defect is found in normal residential use, Seller will, at its election, repair, replace or make appropriate adjustment. All items made of Natural Golden Bamboo or American Black Walnut should not have prolonged exposure to direct sunlight or be stored outdoors.

4. Care and Maintenance – For care and maintenance instructions of all Galley products, please refer to the Use and Care section on thegalley.com.

5. Warranty Claims – These warranties are in effect for Seller's Products purchased on January 1st, 2015 and thereafter. For warranty claims, please contact your Authorized Galley Dealer, or you may write to:

The Galley, LLC.
Attn: Warranty Claims
12626 South Memorial Drive
Bixby, OK 74008

Please include the original receipt with a description of the problem, model number, store, date of purchase, your name, address, and telephone number.

The Galley Tap Limited Lifetime Warranty

1. Galley Tap Limited Lifetime Mechanical Warranty – Seller provides a Limited Lifetime Mechanical Warranty. Seller warrants its products, installed in a residential application, to be free from manufacturing defects in materials and workmanship under normal usage for the useful life of the product. This Limited Lifetime Mechanical Warranty is subject to the warranty conditions and limitations as set forth below.

2. Galley Tap Limited Lifetime Finish Warranty – Seller provides a Limited Lifetime Finish Warranty. For the following Finishes: Polished Stainless Steel, Matte Stainless Steel, PVD Satin Black Stainless Steel, PVD Gun Metal Gray™ Stainless Steel, PVD Polished Rose Gold Stainless Steel and PVD Brushed Gold Stainless Steel, seller warrants its finishes, installed in a residential application, to be free from manufacturing defects in materials or workmanship for the useful life of the product. Please refer to the Seller's Care Instructions for the proper maintenance of Seller's finishes. This Limited Lifetime Finish Warranty is subject to the warranty conditions and limitations as set forth below.

3. Warranty Conditions and Limitations – Seller's Mechanical and Finish warranties are non-transferable and are strictly limited to products correctly installed using our installation instructions and used in a residential environment. Mechanical or finish problems which result from abuse, misuse, improper installation, improper maintenance, (including not properly winterizing the Tap in outdoor installations), improper cleaning, proximity to bodies of saltwater, or accidental damage such as scuffs and scratches are not covered by this warranty. Seller does not assume liability for labor charges, removal and re-installation expenses, freight or postage charges, or injuries resulting from a defective product. This warranty does not allow recovery of incidental or consequential damages such as loss of use, property damage, or any other consequential damage and Seller accepts no liability for such damage. Seller does not assume any responsibility other than to repair or replace the defective part(s) after Seller, upon its examination, has determined the product to be defective and the defective part(s) are covered by the Limited Lifetime Warranty expressed in this warranty. Whether to repair or replace the product shall be at the sole election of the Seller. In no event shall the liability of The Galley exceed the purchase price of the Tap. The use of Plumber's Putty will void this warranty. A non-corrosive epoxy silicone sealing compound may be used. Seller hereby disclaims all other warranties, expressed or implied, other than those set forth in this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

4. Care and Maintenance – For care and maintenance instructions of all Galley products, please refer to the Use and Care section on thegalley.com.

5. Warranty Claims – These warranties are in effect for Seller's Products purchased on January 1st, 2017 and thereafter. For warranty claims, please contact your Authorized Galley Dealer, or you may write to:

The Galley, LLC.
Attn: Warranty Claims
12626 South Memorial Drive
Bixby, OK 74008

Please include the original receipt with a description of the problem, model number, store, date of purchase, your name, address and telephone number.

The Galley Hot & Cold Tap Limited Lifetime Warranty

1. Galley Tap Limited Lifetime Mechanical Warranty – Seller provides a Limited Lifetime Mechanical Warranty. Seller warrants its products, installed in a residential application, to be free from manufacturing defects in materials and workmanship under normal usage for the useful life of the product. This Limited Lifetime Mechanical Warranty is subject to the warranty conditions and limitations as set forth below.

2. Galley Tap Limited Lifetime Finish Warranty – Seller provides a Limited Lifetime Finish Warranty. For the following Finishes: Polished Stainless Steel, Matte Stainless Steel, PVD Satin Black Stainless Steel, PVD Gun Metal Gray™ Stainless Steel, PVD Polished Rose Gold Stainless Steel and PVD Brushed Gold Stainless Steel, seller warrants its finishes, installed in a residential application, to be free from manufacturing defects in materials or workmanship for the useful life of the product. Please refer to the Seller's Care Instructions for the proper maintenance of Seller's finishes. This Limited Lifetime Finish Warranty is subject to the warranty conditions and limitations as set forth below.

3. Galley Ideal Hot Water Tank Five (5) Year Limited Mechanical Warranty – Seller provides a Limited Mechanical Warranty. Seller warrants its Ideal Hot Water Tank, installed in a residential application using our installation instructions to be free from manufacturing defects in materials and workmanship under normal usage for a period of five (5) years from the date of purchase. Seller strongly recommends that a certified high flow water filtration unit be installed with the Hot Water Tank as unfiltered water with impurities can clog the dispenser and void the warranty. This Limited Mechanical Warranty is subject to the warranty conditions and limitations as set forth below.

4. Warranty Conditions and Limitations – Seller's Mechanical and Finish warranties are non-transferable and are strictly limited to products correctly installed using our installation instructions and used in a residential environment. Using a different Hot Tank with The Galley Hot and Cold Tap other than the Galley Ideal Hot Water Tank will void this warranty. Mechanical or finish problems which result from abuse, misuse, improper installation, improper maintenance, (including not properly winterizing the Tap in outdoor installations), improper cleaning, proximity to bodies of saltwater, or accidental damage such as scuffs and scratches are not covered by this warranty. Seller does not assume liability for labor charges, removal and reinstallation expenses, freight or postage charges, or injuries resulting from a defective product. This warranty does not allow recovery of incidental or consequential damages such as loss of use, property damage, or any other consequential damage and Seller accepts no liability for such damage. Seller does not assume any responsibility other than to repair or replace the defective part(s) after Seller, upon its examination, has determined the product to be defective and the defective part(s) are covered by the Limited Lifetime Warranty and Limited Warranty expressed in this warranty. Whether to repair or replace the product shall be at the sole election of the Seller. In no event shall the liability of The Galley exceed the purchase price of the Tap or Hot Water Tank. The use of Plumber's Putty will void this warranty. A non-corrosive epoxy silicone sealing compound may be used. Seller hereby disclaims all other warranties, expressed or implied, other than those set forth in this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

5. Warranty Claims – These warranties are in effect for Seller's Products purchased on January 1st, 2019 and thereafter. For warranty claims, please contact your Authorized Galley Dealer, or you may write to:

The Galley, LLC.
Attn: Warranty Claims
12626 South Memorial Drive
Bixby, OK 74008

Please include the original receipt with a description of the problem, model number, store, date of purchase, your name, address and telephone number.

The Galley Water Filtration System Limited Lifetime Warranty

1. Galley Water Filtration One (1) Year Limited Mechanical Warranty – Seller provides a Limited Mechanical Warranty for the complete Filtration System (including the cartridge). Seller warrants its Filtration System, installed in a residential application using our installation instructions, to be free from manufacturing defects in materials and workmanship under normal usage for a period of one (1) year from the date of purchase. Defects must be reported to Seller within the warranty period. Seller strongly recommends that a new cartridge be installed every six (6) months for maximum results. Cartridge must be replaced every 12 months maximum. This Limited Mechanical Warranty is subject to the warranty conditions and limitations as set forth below.

2. Warranty Conditions and Limitations – Seller's Mechanical warranties are non-transferable and are strictly limited to products correctly installed using our installation instructions and used in a residential environment. Mechanical problems which result from abuse, misuse, improper installation, improper maintenance, (including not properly winterizing the Tap and Filtration System in outdoor installations), improper cleaning, proximity to bodies of saltwater, accidental damage such as scuffs and scratches, or noncompliance with applicable codes and ordinances are not covered by this warranty. Seller does not assume liability for labor charges, removal and reinstallation expenses, freight or postage charges, or injuries resulting from a defective product. This warranty does not allow recovery of incidental or consequential damages caused by accident, fire, flood, excessive head or cold, Acts of God, misuse, or misapplication that result in loss of use, property damage, or any other consequential damage and Seller accepts no liability for such damage. Seller does not assume any responsibility other than to repair or replace the defective part(s) after Seller, upon its examination, has determined the product to be defective and the defective part(s) are covered by the Limited Lifetime Warranty and Limited Warranty expressed in this warranty. The cost of installation and labor to install warranted parts, including trip charges, are not covered by this warranty unless Seller has approved in writing. Whether to repair or replace the product shall be at the sole election of the Seller. In no event shall the liability of The Galley exceed the purchase price of the Tap or Filtration System. Seller hereby disclaims all other warranties, expressed or implied, other than those set forth in this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

3. Warranty Claims – For claims covered by the Limited Warranty of The Water Filtration System, the defective part or the product must be returned to us immediately after discovery of the material defect and not to exceed the warranty period set forth above. The part or product must be returned to the original point of shipment, freight prepaid, along with the Returns Good Authorization form. Seller is not responsible for any cost of shipping or transportation incurred in connection with the return of the part or product. Returning the part or product in a way that does not ensure integrity of the part or product during shipment may result in a voided warranty.

These warranties are in effect for Seller's Products purchased on January 1st, 2019 and thereafter. For warranty claims, please contact your Authorized Galley Dealer, or you may write to:

The Galley, LLC.
Attn: Warranty Claims
12626 South Memorial Drive
Bixby, OK 74008

Please include the original receipt with a description of the problem, model number, store, date of purchase, your name, address and telephone number.

A-DRN-MSS	Automatic Strainer Basket 3-1/2" with Remote Pop-up Knob and 27-1/2" Cable in Matte Stainless Steel	\$220	\$198	\$15
A-DRN-PSS	Automatic Strainer Basket 3-1/2" with Remote Pop-up Knob and 27-1/2" Cable in Polished Stainless Steel	\$240	\$216	\$15
B1-11-0-ADA-ST	ADA Mixing Bowl 11-3/4" 5-qt Only in Stainless Steel	\$38	\$34	N/C
B1-11-0-ST	Mixing Bowl 11" 7.2-qt Only with Lid and Non-slip Bottom in Stainless Steel	\$38	\$34	N/C
B2-15-0-ST	Large Serving Bowl 14-7/8" x 5-1/2" in Stainless Steel	\$75	\$68	\$10
B4-04-0-SS	Bowl 4" Only for Garnish Board in Stainless Steel	\$29	\$26	N/C
BC-12-L-BA	Mixing Bowl 11" and Colander 11" in Stainless Steel, Lower Tier Platform 12-1/4" x 17" Set in Natural Golden Bamboo	\$275	\$248	\$25
BC-12-L-GR	Mixing Bowl 11" and Colander 11" in Stainless Steel, Lower Tier Platform 12-1/4" x 17" Set in Exclusive Gray Resin	\$225	\$203	\$25
BC-12-L-GT	Mixing Bowl 11" and Colander 11" in Stainless Steel, Lower Tier Platform 12-1/4" x 17" Set in Graphite Wood Composite	\$275	\$248	\$25
BC-12-L-WA	Mixing Bowl 11" and Colander 11" in Stainless Steel, Lower Tier Platform 12-1/4" x 17" Set in American Black Walnut	\$350	\$315	\$25
BC-12-L-WH	Mixing Bowl 11" and Colander 11" in Stainless Steel, Lower Tier Platform 12-1/4" x 17" Set in Designer White Resin	\$225	\$203	\$25
BC-17-D-BA	Mixing Bowl 11" and Colander 11" in Stainless Steel, Dual Tier Platform 17" x 18" Set in Natural Golden Bamboo	\$300	\$270	\$25
BC-17-D-GR	Mixing Bowl 11" and Colander 11" in Stainless Steel, Dual Tier Platform 17" x 18" Set in Exclusive Gray Resin	\$250	\$225	\$25
BC-17-D-GT	Mixing Bowl 11" and Colander 11" in Stainless Steel, Dual Tier Platform 17" x 18" Set in Graphite Wood Composite	\$300	\$270	\$25
BC-17-D-WA	Mixing Bowl 11" and Colander 11" in Stainless Steel, Dual Tier Platform 17" x 18" Set in American Black Walnut	\$375	\$338	\$25
BC-17-D-WH	Mixing Bowl 11" and Colander 11" in Stainless Steel, Dual Tier Platform 17" x 18" Set in Designer White Resin	\$250	\$225	\$25
BG-05-N-SS	Bottom Grate Section 5-1/2" x 15-1/2" in Stainless Steel	\$200	\$180	\$25
BG-11-N-SS	Bottom Grate Section 11-1/2" x 15-1/2" for IWS 4S, 4X4C, 6S, IWA 4S, 4X4C, IWW 6D in Stainless Steel	\$250	\$225	\$25
BG-13-C-SS	Bottom Grate Section 13-1/2" x 15-1/2" for IBS 18C in Stainless Steel	\$250	\$225	\$25
BG-18-C-1-SS	Bottom Grate Single Section Set for IBS 18C in Stainless Steel	\$250	\$225	\$25
BG-2-C-1-SS	Bottom Grate Single Section Set for IWS 2C, IWA 2C, IBS 2C in Stainless Steel	\$300	\$270	\$25
BG-20-C-SS	Bottom Grate Section 20" x 15-1/2" for IWS 2C, IWA 2C, 4D, IWW 4D, 5D, 6D, 7D, IBS 2C in Stainless Steel	\$300	\$270	\$25
BG-23-N-SS	Bottom Grate Section 23-1/2" x 15-1/2" for IWS 5S, 6S, 7S, IWW 7D in Stainless Steel	\$300	\$270	\$25
BG-25-N-SS	Bottom Grate Section 25-1/2" x 15-1/2" for IWS 3X4C, 4X3C, 4X4C, IWA 3X4C, 4X3C, 4X4C in Stainless Steel	\$325	\$293	\$25
BG-25-S-SS	Bottom Grate Section 25-1/2" x 15-1/2" for IWS 30S, IWA 30S in Stainless Steel	\$325	\$293	\$25
BG-29-S-SS	Bottom Grate Section 29" x 15-1/2" for IWS 3X4C, 4X3C, 4X4C, IWA 3X4C, 4X3C, 4X4C in Stainless Steel	\$350	\$315	\$25
BG-30-S-1-SS	Bottom Grate Single Section Set for IWS 30S, IWA 30S in Stainless Steel	\$325	\$293	\$25
BG-3-S-1-SS	Bottom Grate Single Section Set for IWS 3S, IWA 3S in Stainless Steel	\$350	\$315	\$25
BG-31-S-SS	Bottom Grate Section 31-1/2" x 15-1/2" for IWS 3S, 4S, 5S, 6S, 7S, IWA 3S, 4S, IWW 5D, 6D, 7D in Stainless Steel	\$350	\$315	\$25
BG-4-D-2-SS	Bottom Grate Two Section Set for IWA 4D, IWW 4D in Stainless Steel	\$600	\$540	\$35
BG-4-S-2-SS	Bottom Grate Two Section Set for IWS 4S, IWA 4S in Stainless Steel	\$600	\$540	\$35
BG-4X3-C-2-SS	Bottom Grate Two Section Set for IWS 3X4C, 4X3C, IWA 3X4C, 4X3C in Stainless Steel	\$675	\$608	\$35
BG-4X4-C-3-SS	Bottom Grate Three Section Set for IWS 4X4C, IWA 4X4C in Stainless Steel	\$925	\$833	\$35
BG-5-D-2-SS	Bottom Grate Two Section Set for IWW 5D in Stainless Steel	\$650	\$585	\$35
BG-5-S-2-SS	Bottom Grate Two Section Set for IWS 5S in Stainless Steel	\$650	\$585	\$35
BG-6-D-3-SS	Bottom Grate Three Section Set for IWW 6D in Stainless Steel	\$900	\$810	\$35
BG-6-S-3-SS	Bottom Grate Three Section Set for IWS 6S in Stainless Steel	\$900	\$810	\$35
BG-7-D-3-SS	Bottom Grate Three Section Set for IWW 7D in Stainless Steel	\$950	\$855	\$35
BG-7-S-3-SS	Bottom Grate Three Section Set for IWS 7S in Stainless Steel	\$950	\$855	\$35
BKT-3T-BA	Bar Kit including Three Tools in Natural Golden Bamboo	\$700	\$630	\$45
BKT-3T-GR	Bar Kit including Three Tools in Exclusive Gray Resin	\$500	\$450	\$45
BKT-3T-GT	Bar Kit including Three Tools in Graphite Wood Composite	\$700	\$630	\$45
BKT-3T-WA	Bar Kit including Three Tools in American Black Walnut	\$900	\$810	\$45
BKT-3T-WH	Bar Kit including Three Tools in Designer White Resin	\$500	\$450	\$45
C1-11-0-ADA-ST	ADA Colander 11" 5.5-qt in Stainless Steel	\$38	\$34	N/C
C1-11-0-ST	Colander 11" 7.2-qt. with Soft Non-slip Handles in Stainless Steel	\$38	\$34	N/C
CB-12-U-BA	Upper Tier Cutting Board 12-1/4" x 18" with Juice Groove on one side in Natural Golden Bamboo	\$250	\$225	\$25
CB-12-U-GR	Upper Tier Cutting Board 12-1/4" x 18" with Juice Groove on one side in Exclusive Gray Resin	\$175	\$158	\$25
CB-12-U-GT	Upper Tier Cutting Board 12-1/4" x 18" with Juice Groove on one side in Graphite Wood Composite	\$250	\$225	\$25
CB-12-U-WA	Upper Tier Cutting Board 12-1/4" x 18" with Juice Groove on one side in American Black Walnut	\$350	\$315	\$25
CB-12-U-WH	Upper Tier Cutting Board 12-1/4" x 18" with Juice Groove on one side in Designer White Resin	\$175	\$158	\$25
CB-17-D-BA	Dual Tier Cutting Board 17" x 18" with Juice Groove on one side in Natural Golden Bamboo	\$275	\$248	\$25
CB-17-D-GR	Dual Tier Cutting Board 17" x 18" with Juice Groove on one side in Exclusive Gray Resin	\$200	\$180	\$25
CB-17-D-GT	Dual Tier Cutting Board 17" x 18" with Juice Groove on one side in Graphite Wood Composite	\$275	\$248	\$25
CB-17-D-WA	Dual Tier Cutting Board 17" x 18" with Juice Groove on one side in American Black Walnut	\$375	\$338	\$25
CB-17-D-WH	Dual Tier Cutting Board 17" x 18" with Juice Groove on one side in Designer White Resin	\$200	\$180	\$25
CB-18-C-BA	Upper Tier Corner Cutting Board 18-1/4" x 18-1/4" with Juice Groove on one side in Natural Golden Bamboo	\$300	\$270	\$25
CB-18-C-GR	Upper Tier Corner Cutting Board 18-1/4" x 18-1/4" with Juice Groove on one side in Exclusive Gray Resin	\$225	\$203	\$25
CB-18-C-GT	Upper Tier Corner Cutting Board 18-1/4" x 18-1/4" with Juice Groove on one side in Graphite Wood Composite	\$300	\$270	\$25
CB-18-C-WA	Upper Tier Corner Cutting Board 18-1/4" x 18-1/4" with Juice Groove on one side in American Black Walnut	\$400	\$360	\$25
CB-18-C-WH	Upper Tier Corner Cutting Board 18-1/4" x 18-1/4" with Juice Groove on one side in Designer White Resin	\$225	\$203	\$25
CH-12-U-BA	Upper Tier 2" thick Chef's Block 12-1/4" x 18" x 2" with Juice Groove on one side in Natural Golden Bamboo	\$375	\$338	\$25
CH-12-U-WA	Upper Tier 2" thick Chef's Block 12-1/4" x 18" x 2" with Juice Groove on one side in American Black Walnut	\$525	\$473	\$25
CH-17-D-BA	Dual Tier 2" thick Chef's Block 17" x 18" x 2" with Juice Groove on one side in Natural Golden Bamboo	\$450	\$405	\$25
CH-17-D-WA	Dual Tier 2" thick Chef's Block 17" x 18" x 2" with Juice Groove on one side in American Black Walnut	\$600	\$540	\$25
CH-18-C-BA	Upper Tier 2" thick Corner Chef's Block 18-1/4" x 18-1/4" x 2" with Juice Groove on one side in Natural Golden Bamboo	\$525	\$473	\$25
CH-18-C-WA	Upper Tier 2" thick Corner Chef's Block 18-1/4" x 18-1/4" x 2" with Juice Groove on one side in American Black Walnut	\$675	\$608	\$25
CIT-04-WD-B	citrine. Wood Finishing Balm 4 oz. Individual Tin	\$22	\$20	\$10
CIT-04-WD-B-CS	citrine. Wood Finishing Balm 4 oz. Case of 12 Tins	\$250	\$225	\$25
CIT-09-SS-C	citrine. Stainless Steel Clean + Polish 9 oz. Individual Bottle	\$33	\$30	\$10
CIT-09-SS-C-CS	citrine. Stainless Steel Clean + Polish 9 oz. Case of 12 Bottles	\$375	\$338	\$25
CIT-09-WD-C	citrine. Wood Condition + Protect 9 oz. Individual Bottle	\$25	\$23	\$10
CIT-09-WD-C-CS	citrine. Wood Condition + Protect 9 oz. Case of 12 Bottles	\$300	\$270	\$25
CKT-12-ADA-BA	Small ADA Culinary Kit including Five Tools in Natural Golden Bamboo	\$1,200	\$1,080	\$45
CKT-12-BA	Small Culinary Kit including Five Tools in Natural Golden Bamboo	\$1,200	\$1,080	\$45
CKT-12-ADA-GR	Small ADA Culinary Kit including Five Tools in Exclusive Gray Resin	\$900	\$810	\$45
